Mrs Rosalind Kennedy will speak to us on Wedgwood Pottery.

JULY FIXTURE.

Visit to Malvern House. What a grand house it is ! Built in 1891-2 just before the Land Boom burst. A large ballroom with parquetry floor, staircase with carved balusters and newels, all round gallery, lantern, mosaic tiled outside verandah and framed original plans displayed, are some of the features. Despite it's use as a school for more than fifty years the building is well preserved. Our thanks to the Teacher-in-Charge. Mr. Bill Sayers, for a most interesting commentary, and for a printed handout of the history of the building and the School.

NEW MEMBERS.

We welcome as new members- Mr.& Mrs. Jim Pollet.

Peter Murray and Associates.

ACKNOWLEDGMENTS.

Extensive recollections of Caulfield racing stables have been supplied by Dr. G.G. Heslop, Veterinary Surgeon, of Kambrook Rd. We are indeed grateful to Dr. Heslop for the detailed handwritten notes he has supplied. They will be a valuable addition to the Society's records.

LOCALITY NAMES.

Our appeal for information on the origin of locality names has been answered by Elaine Meehan, who has supplied details of the naming of Carnegie, formerly Rosstown. In 1908, the Rosstown Progress Association petitioned the Caulfield Council to change the name to either Kcornang, Dudley or Carnegie. Finally the latter name was agreed, the railway station taking the new name on 1st May 1909. The American philanthropist, Andrew Carnegie made gifts to some Melbourne libraries at this time.
