ANNUAL MEETING.

The Annual Meeting of the Society was held at the Old Post Office on Wednesddy.Sep.21st.

There being no surplus of candidates, the executive was returned. The office of Secretary is still unfilled.

The highlight of the evening was a Talk on Wedgwood by Mrs Rosalind Kennedy - informative, absorbing and delivered in a bright and informative manner. It seems that Wedgwood is the only new ceramic invented in the last 1200 years. A collection of pottery produced by the Company founded by Josiah Wedgwood in 1759 was displayed. A very memorable evening ! We are indeed grateful to Mrs Kennedy.

COMMUNITY DAY.

Come along and see our display at Caulfield Community Day - December 11th Caulfield Park - Eastern end,

Publicity of our aims and objects, and enrolment of new members, are the main reasons for our participation in this event.

NEXT MEETING.

To be held at the Old Post Office, opp. Town Hall, Wednesday, November 16th at 8 pm.

'CAULFIELD's CHURCHES' will be the theme of a presentation by Trevor Hart and Ralph Sims.

A survey of the Society's records indicates we have a good deal of information on some churches, but little or none at all on many others. In an effort to enlarge our files, we invite our members to contribute anything they have or can obtain relating to their local church.

With or without Church history, you are very welcome to attend this meeting and we hope you will make the effort and come along. Light supper.
