ANNUAL MEETING REPORT.

The Sixth Annual Meeting of the Society was held at the Old P.O. on Wednesday, September 20th. Twenty seven members attended, the best attendance for some years. There were also a number of apologies.

All office bearers and committee members were returned with the addition of Mrs. Saynor to the Committee. We welcome her to this office.

The office of Secretary is still vacant -- Any offers ?

Guest speaker Peter Murray gave an interesting account of the source material being currently used in the writing of the History of Caulfield. He mentioned that there were a number of early Caulfield citizens who were worthy of research.

NEW MEMBERS.

We welcome the following to the Society -

Mr. H. Head

Miss Catomore

Mr. & Mrs. I. Baker

Caulfield-Malvern Library Service (Corporate M/ship).

DONATION.

We thank Mr. & Mrs. Matthews for their donation of \$10.00.

TRAM SHELTER.

The tramshelter at the corner of Hawthorn and Dandenong Rds. is of some interest to the Society. This seems to be the only surviving shelter of a number built at the main intersections along Dandenong Rd. toward Windsor.

Robert Green informs us that the Dandenong Rd. tramline was opened on the 19/11/1911 and the Hawthorn Rd. tramline on 12/4/1913. Was this shelter built about this time or later ?

Can any member help with further information ?

The shelter appears to be in excellent condition and we have taken several photographs for the Society's records.

NEXT MEETING.

Our last meeting for the year will be held on Wednesday next, November 15th at 8 pm. at the Old Post Office.

Mr. & Mrs J. Pollet will show us slides of their recent trip to France with particular reference to preservation of historical material.

HISTORICAL MATERIAL.

Members are requested to be on the look-out for historical material, particularly from older homes in the district. Old directories, photographs, newspapers, subdivision advertisements etc. are often unthinkingly destroyed. These are of value to the Society for reference and research.
