NEWSLETTER SUPPLEMENT NO 4/80. -

JULY 1980

528-1661.

Once again, we must thank Cicely Close for sp aking to us. The subject was 'Origins of Historical Material'. It would seem that more importance is being placed nowadays on oral history than hitherto. This can cften provide a warmer, more human approach. Her thoughts on the subject will help us considerably. We must become busier with our tape recorders and our older residents before it is too late!!

'THE HISTORY OF CAULFIELD!

The Royal Historical Society of Victoria Newsletter (June 80.)
carries a review of 'From Sand, Swamp and Heath' (by Peter Murray & J.C Wells)
High praise for production, design, illustrations and maps.
Not so happy with separate treatment of themes individually. The Reviewer felt that an integrated treatment may have made a better total presentation.

BUILDING AT CAULFIELD RACECOURSE.

Headquarters of the V.A.T.C. will soon be transferred from St. Kilda Rd. to the Caulfield Racecourse. Alterations behind the Mambers' Stand in Station St. will provide the necessary facilities.
