AUSTRALIA DAY CELEBRATION.

Several members of the Society were among the 400 citizens present at the Caulfield City Council Australia Day Breakfast - the ninth - held in the City Hall.

The theme this year was 'The Australian Film Industry' - from the 1890's to the 1980's. The Hall was decorated accordingly and a continuous dual slide show was repeated several times. One set of slides was taken from old films while the other was from recent productions. The Hon. Don Dunstan gave an informative address on the subject. Brian May and a special ensemble provided music using film themes.

More than \$3000 will be forwarded to the Caulfield Hospital Cardiac Support Group.
